LOBACOATING – services:

Our **technical team** makes sure that our products work well with your machinery and assists whenever needed. **Product customisation**, various topcoat properties and special **developments** can also be managed by our developers.

LOBACOATING – quality:

We pay great attention to quality and inspect outgoing goods prior to shipment. To maintain high standards in our work processes, we have a quality and environmental management system that has been certified in accordance with ISO 9001:2008 and 14001:2004.

LOBA – more than 90 years "On Top!"

LOBA has been devoted to floor finishing, cleaning and maintenance since 1922. We are a **full service** manufacturer and supplier of:

- **UV finishes, waterborne finishes** and **oils** for **industrial applications**
- specially formulated **care and cleaning products**
- **professional coatings** for **on-site finishing and renovation**.

The **benefit** to you: All care and cleaning products, as well as finishes for the renovation of pre-finished wood flooring, are compatible with industrially manufactured surfaces. Thanks to the company's internationalisation, LOBA products are available in more than 60 countries worldwide.

All LOBA products are **made exclusively in** our factory in **Germany**.
