

EDUCATION SEMINAR SCHEDULE

2024

LOBA - SAND AND STAIN:

LOBA Wakol Headquarters in Wadesboro, NC

This is a three-day intensive course where all students will actively use multiple types of sanding equipment to help understand sanding sequences, differences in sand-paper minerals, how to apply stain and perform touch-ups, and application of sealers. Bring your work clothes. (3-day course)

FEB. 20-22 | JUL. 16-18 | NOV. 5-7

LOBA Wakol North America & Lägler:

LOBA Wakol Headquarters in Wadesboro, NC

3 day course providing your craftsman with the fundamentals of Subfloor prep, WAKOL moisture mitigation and adhesive application, equipment operation, Lägler PST sanding techniques, and an understanding of LOBA water-based finish systems and application. (3-day course)

FEB. 6-8 | AUG. 6-8

LOBA Wakol North America - CONNECTED SYSTEMS:

LOBA Wakol Headquarters in Wadesboro, NC,
Toronto (Mar. 26-28), & Vancouver (Aug. 20-22)

This comprehensive three-day hands-on course offers a “systems approach” education with Wakol prep and installation solutions followed by LOBA sanding, coloring, and finishing systems. (3-day course)

MAR. 12-14 | MAR. 26-28 | MAY. 14-16 | AUG. 20-22 | SEP. 10-12

Wakol USA - SUBSTRATE PREP, UNDERLAYMENT, & RESILIENT INSTALLATION:

LOBA Wakol Headquarters in Wadesboro, NC

In partnership NAFCT, Wakol offers this two-part certification training. Part 1 is Substrate Preparation training and certification testing, and Part 2 is Modular Resilient Installation and certification testing. NAFCT membership is required www.nafct.com. (3-day course)

APR. 30-MAY 2 | SEP. 24-26

LOBA Wakol North America - “Essentials” Regional Trainings:

This 2-day “essentials” course is designed to give you an introductory knowledge of both LOBA and Wakol systems that you can easily implement into your projects. This course will help build a foundation for more “in-depth” trainings at LOBA Wakol headquarters. (2-day course)
